Viking Dedication

Mrs. Linda Case-Reynolds contributes to the school in many ways. She teaches World Cultures and World History with enthusiasm and thoroughness. Her involvement, however, is not limited to the classroom. She is ready and willing to help students with any problems they have. She spends many hours organizing National Honor Society activities which include fund-raising and coaching the Hi-IQ team. Serving as co-advisor of the Student Council for the first time, Mrs. Case-Reynolds supports many other events throughout the school year. In appreciation for her encouragement and positive attitude toward the student body, the Yearbook Staff dedicates the 1978 Viking to Mrs. Linda Case-Reynolds.

Administration

Northwest Benefits From Mr. Billings Experience

"Probably the most demanding responsibility of being a school administrator has been motivating students to establish goals and values during their educational process. I believe that the ultimate success of any school depends solely upon the values and goals that a student sets as an individual. I have been very gratified with the results of this in the past sixteen years at Northwest Senior High School. I have observed many students that have gone out into their chosen fields of work and have become established in society, and who have proven that they did receive the proper guidance and direction toward meeting these goals in life. This has been a great pleasure to me as a school administrator."

Cone makes fabrics people live in.®

In 21 modern plants, Cone creates a whole line of quality fabrics for casualwear, sportswear, sleepwear, uniforms and career apparel. Fabrics for home-decorating and home-sewing —even polyurethane foam—are now a part of the Cone family of products.

The almost 14,000 employees of Cone are proud of their part in helping Cone grow. And proud of creating the basic fabrics that are the backbone of American casual fashion. Cone®

CHARLES L. HUNTER, WINSTON-SALEM, N. C.

Lynn,

It'd really been a good year. All the ups and downs I am really sorry that things haven't gone better for the both of us. Sometimes I really wanted to get up and run away from everything and everybody. Hope you have the best times of your life in the following years. You have really been a grand friend. DON'T EVER GIVE UP! Cause if you do you'll never get nowhere. I hope that life will improve and things get better. I only wish that I could have got to know you sooner. And we could've done more things together. Don't forget me. Call me if you ever need to talk to somebody give me a call. Well I guess I've wrote enough cause I can't think of anything else to say,

BEST WISHES IN THE FUTURE AND IN EVERTHING YOU DO!

Lynn.
Im really glad I got to know you
better this year. You're a great
friend and I enjoy sharing your
problems. Sometimes I don't understand
you but most of the time I do.
You are very sweet & pretty and I
enjoy beins around you. I don't know
what our 4-some would be without
your crazy ideas to joino with ours.
Hope you & Jeff last throughout
eternity. I wish I could have gotten
to know you sooner but I didn't
live here! I must admit that I have
a way with words. I truely have
treasured our friendship and hope
we stay friends forever. I
want you to come see me over
the summer, but you better call
so I'll make a point of being home.
(Just for you) Keep in close touch.
& Please try to behave yourself
& stay out of trouble. Love &
Friends,
Stacey M. Adams
